TRAVERSE CITY CENTRAL TROJAN HOCKEY

Team Dinner Guidelines

Team dinners are scheduled the night before most home games. These dinners are a great opportunity for players to bond, refuel, and prepare for Game Day. Families can host alone or collaborate with other families. The cost of team dinners is covered by the host family or families.

HostFamilyResponsibilities

- **Time and Location:** The host family decides the time and location of the dinner. Consider practice end time and travel time to the host location.
- **Communication:** At least one week before your scheduled dinner, send the time and address details to the Trojan Booster Secretary at tcchockeyboosters@gmail.com. This information will be shared in the weekly team update.

Special Notes

- Be sure to note any dietary restrictions or allergies listed in the sign-up.
- If you need to change your scheduled date, please coordinate directly with another family to switch dates.
