TRAVERSE CITY CENTRAL TROJAN HOCKEY

Dear Trojan Hockey Supporter,

Since winning our first State Championship in 2006, Trojan Hockey has built a tradition of excellence, earning 9 Regional titles and 14 Big North Conference titles. We take pride in the accomplishments of our players, who consistently achieve academic, regional, conference, and state honors. These achievements would not be possible without the steadfast support of sponsors and donors like you.

Looking ahead to the 2026-2027 season, the Traverse City Central Hockey Boosters are excited to support a talented team eager to defend their Division II Regional Championship - but we need your help! Your sponsorship enables us to keep player fees comparatively low, provide warm-up and travel attire, ensure the team travels with first-rate transportation and more!

We invite you to be part of this journey by becoming a Diamond, Gold, or Black Club Member. Each membership offers valuable ways for you to support Trojan Hockey while promoting your business or service. Your sponsorship is essential to our continued success, and we are incredibly grateful for your partnership. Membership level details are outlined on the following page.

Thank you for considering this opportunity to support Trojan Hockey. Your involvement strengthens our program and community. We appreciate your commitment and look forward to an exciting season ahead.

Go Trojans!
